

**3.4 Subject: GRANTS AND CONTRACTS**

Date Adopted: June 22, 1987

Date Amended: September 12, 2008

Reference: Minute Book: 38 Page: 16-18

Murray State University has three primary missions: teaching, research, and service. Externally funded

[Redacted Table Content]

All proposed budgets will include full indirect costs:

- a. At the rate negotiated between the University and the United States Department of Health and Human Services, or
- b. At the maximum rate allowable by the potential sponsor, if less than (a) above.

Because of the cooperative relationship between the Commonwealth of Kentucky and its local government entities, there is some basis to not request full cost from these sponsors. These

by the University.

b. Non-Exempt Staff

Non-exempt staff is normally those University employees who are employed on an hourly basis. According to their assigned work positions, they may be expected to
