

How it works at a retail pharmacy:

- Call your local retail pharmacy to see if they have at-home COVID-19 tests available.
- Take your Express Scripts ID card to a retail pharmacy in your network.
- Bring the COVID-19 test to the pharmacy counter, not the regular checkout lane.⁴
- Check out at the pharmacy counter and show your ID card. Your at-home COVID-19 test should automatically ring up at no cost to you.

How it works with Express Scripts® Pharmacy:

- Log in at express-scripts.com.
- Click “Order At-Home COVID-19 Tests” on the home page.
-
