

Take care of yourself

Use your preventive care benefits

BlueCross

Getting regular checkups and exams can help you stay healthy and catch problems early – when they're easier to treat.

That's why our health plans offer all the preventive care services and immunizations below – at no cost to you.¹ As long as you

The preventive care services are recommended by the Affordable Care Act (ACA) (see [ACA preventive care reference](#)). They are being provided at no cost to you.

This sheet is not a contract or policy with Anthem Blue Cross and Blue Shield. If there is any difference between this sheet and the group policy, the provisions of the group policy will rule. Please see your combined Evidence of Coverage and Disclosure Form or Certificate for exclusions and limitations.

* CDC-recognized Diabetes Prevention programs are available for overweight or obese adults with abnormal blood glucose or who have abnormal CVD risk factors.

Child preventive care

Preventive physical exams
